TAH DAMARIS AKOM

Customer Success and Account Management | Relationship Management | B2B Client Onboarding

+237 676 798 395 | damarisakom@gmail.com | linkedin.com/in/tah-damarisakom

PROFESSIONAL SUMMARY

Account manager with 8+ years in B2B fintech and digital banking, building trusted relationships with business clients and senior decision-makers, including client managers, COOs and CFOs. Strong in relationship management, client onboarding, business reviews and renewals, with a habit of using CRM and dashboard data to decide where to act. Spotted upsell and cross-sell opportunities and kept technical and compliance teams aligned with client needs. Looking to move into B2B SaaS partnerships, bringing a commercial focus on retention and account growth. Fluent in English.

CORE SKILLS

Relationship Management: Relationship Management, Business Reviews (QBRs), Senior Decision-Makers (COOs, CFOs), Expectation Setting, Escalation Handling

Growth and Onboarding: Client Onboarding, Renewals, Upsell and Cross-Sell Opportunities, Account Growth, Client Retention, NPS and CSAT

CRM and Data: CRM (HubSpot, Zoho, Salesforce), Data-Driven Decisions, Power BI Dashboards, Account Health Reporting, Google Data Analytics

Other Tools: Zendesk, Asana, Trello, AWS Cloud Practitioner

PROFESSIONAL EXPERIENCE

Azire Cooperative Credit Union | April 2017 – September 2026

Account Manager, Digital Financial Products (Debit, Credit and Prepaid Cards) | *March 2024 – September 2026*

- Main contact for key B2B clients, keeping accounts steady and growing the value of each relationship.
- Ran quarterly business reviews with client managers, COOs and CFOs across 100+ clients to align our work with their goals and revenue.
- Used CRM data, account activity and dashboards to spot at-risk and inactive clients, then acted early to keep them.
- Worked with compliance and technical teams to keep delivery on track and clients informed.

Customer Success Specialist, Card Program | *April 2022 – February 2024*

- Improved client retention by 15% and cut the time to fix problems by 25%.
- Set up onboarding steps and shared task boards that made it easier for clients to get started and activate their cards.
- Managed contract renewals and spotted growth opportunities through regular client conversations, helping upsell additional services.
- Built dashboards combining client feedback with usage data to show early when a client was losing interest.

Client Onboarding Specialist, Digital Banking | *April 2019 – March 2022*

- Onboarded 20+ client accounts at the same time, giving each a fast start on the platform.
- Raised successful platform set-ups by 10% by collecting user feedback right away and acting on it.
- Solved problems that blocked clients by working directly with technical and network teams.

Customer Service Officer, Accounts and Support | *April 2017 – March 2019*

- Set up a clear process for handling client complaints using case logs, account checks and problem diagnosis.
- Wrote standard message templates that improved client confidence in issue resolution by 20%.
